Hi to all, our past, present and future swimmers

Term 2 is coming to an end and we hope you have all enjoyed your lessons. We have made a few changes to Term 3 to help your child progress further this term. All current swimmers have first option of enrolment. Priority is always given to current Learn to Swim Students.

Free Swimming!

You may or may not know that we load an additional 5 classes per term so that your child / grandchild can practice during the terms lessons. We have now decided to extend this to your child being able to swim at weekends during term time for free.

Block Course!

These school holidays we will be running a Learn To Swim Block Course. This course will be running from the 11th – 14th July. This is for Preschool and Primary School Age Children and will cost \$40 for the length of the course. For more information please enquire at the reception.

Adult Swim Classes

You may not know but we also run a variety of adult aquatic programs. Including Aquacise, Hydrotherapy, Swim Fitness and Adult 1 on 1. For more information on any of these classes please enquire at the reception.

ONE ON ONE

We also provide One on One lessons for School age, Toddlers and Adults. These lessons are perfect for those who feel uncomfortable in a group situation, or the times for the group lessons do not work. Our swim teachers may suggest you bring your child to a few One on One lessons to build swimming skills that they may not be able to work on during group lessons. For more information please see reception

Payments through Online Banking

Some Parents choose to pay for their deposits or full amount via Internet Banking. You can do this by the following.
